

FOLK FLOWER

FABRIC suggestions:

- Various fabrics ideal for fussy cutting flower heads, fat quarters or at least 8x8" scraps
- Various fabrics ideal for leaves, fat quarters or at least 4x7" scraps
- Various fabrics for stems, could be pre cut into 1" strips (lengths anything 18" or longer)
- Fabrics for background, anything that would allow the above fabrics to shine. (block sizes can vary anywhere between 10-13" square as desired)

TOOLS and notions:

- Tracing tools (pencil or disappearing pen)
- Scissors for hand cutting & other basic cutting tools
- Square grid ruler (like 12") is helpful
- Machine threads in desired shades for machine applique
- Machine should have at least a zigzag stitch (other decorative stitches are a bonus)
- Pellon 805 (double fusible) if fusible applique is desired.
- Anna Maria's In Bloom templates are **optional** for circle and leaf shapes
