

Miss Rosie's Garden

Finished Size: 28"x32" (70cmx80cm)

This wall hanging has been made using a combination of techniques including stitchery, woven wool applique, poly-fuse applique and machine piecing.

There are 9 images which could also be used on cushions, bags, journal covers or quilts!

On the day you will be concentrating on one block, but will learn all the techniques to complete the whole quilt.

Fabric Requirements to make the whole wallhanging

Stitchery/applique background - 16" (40cm)
10 darker fabrics - fat eighth (10"x20") of each
5 assorted light fabrics behind oval borders - fat eighth
1 extra light fabric for inner border - 8" (20cm)
Mustard (or contrast colour) - 10" square
Felted Woven Wool - mid blue - 3"x5", darker blue - 2½"x2¾",
brown - 2½"x2½", raspberry - 2½"x3¼", purple - 2¾"x3",
light pink - 2¼"x3", orange - 2"x2¼", green - 1½"x2",
yellow - 2"x2", beige - 2"x2"
Binding - 12" (30cm)
Backing - 36"x40" (90x100cm)
Batting - 36"x40" (90x100cm)
Oval Arc polyfuse templates + 20cm extra for squares
DMC - 167 (mustard), 407 (pink), 926 (blue),
3012 (mid green), 3781 (dark brown), 3787 (dk grey),
3790 (donkey), 3860 (purple)

(please note we will be concentrating on one block only on the day, so two 10" squares (one for the applique background and one for behind the oval border), plus some scraps for the ovals will be enough fabric to learn the techniques.

Also needed for workshop -

Size 8 crewel needle (or embroidery needle)
Size 11 straw (or milliners) needle
Glue stick (I like Sewline glue stick, but any hard-based glue is fine)
Fusible web (I like easyfix) - 8" (20cm)
Paper scissors, embroidery and fabric scissors
Fine brown pigma pen (0.3mm)
Pencil
Mid brown or grey cotton for sewing arcs
Small hoop if you like using one for Stitchery

Note - I don't use anything behind my applique/stitchery to hide thread from behind, or to stabilise, but feel free to bring along something if you would like. I prefer weaveline... you would need around 40cm for the whole project.

For the day -

A light box if you have a small one
rotary cutter, ruler and mat if you have a small one

I also like to use -

Small applique pins
Ceramic lead mechanical pencil with black and white lead (won't be needing this on the day)

You will not need to have backing, batting, binding on the day.
