

Shadow Moon Requirements

The amount of fabric you require depends on the size you wish to make your project.

I will be teaching hand piecing techniques but you may machine piece this project if you wish. (But remember I am not a machine master 🙄)

Please bring all requirements to class with you

- SHADOW MOON Acrylic template set
- A large variety of fabric with a good mix of print and colour . You will need some dark or feature prints and some medium value for block background.(from 2 x 10" squares ..one dark, one medium ...you get 2 blocks)
- Light fabric for connecting pieces. 1 mt/yard will make a double size quilt.
- Neutral cotton thread to blend
- Size 11 milliners or straw needle for hand piecing (or size 10)
- 0.7mm Mechanical (propelling) pencil with 2 (USA) or 2B (soft) lead
- General sewing requirements eg pins
- Scissors
- Sandpaper board (if hand piecing)
- If machine piecing bring your machine and rotary cutting equipment. A 28mm rotary cutter and a smaller mat or rotating mat works best.
