Class Description

Stand-up totes in two sizes (see dimensions of each on next page) have an easy-to-install zippered top that opens wide for easy access to contents.

Each tote features an adjustable, detachable carrying strap plus two outer zippered pockets and two inner mesh pockets.

Learn easy techniques for quilting with Soft and Stable, sewing with mesh, installing zippers, and binding as you make the tote.

Class Supply List

In this class you will make either the small or the large *Take A Stand* tote. You will need the following supplies in class:

- ☐ **Take A Stand pattern**
- ☐ **All fabric and supplies listed on back cover of pattern** including ByAnnie's Soft and Stable, mesh, strapping, foldover elastic, and handbag zippers.

*TIP: We also recommend the companion pattern *Running With Scissors* (sold separately) for a handy tool case designed to be used with these totes.*

ALSO BRING TO CLASS

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (we like the extra-fine silk pins as well as the large yellow-topped quilting pins), scissors, thread to match fabrics, chalk marker or similar tool for marking lines, washable school glue stick, bodkin or safety pin, turning tool, etc.

BEFORE CLASS

To make best use of class time, please complete all of step I. CUT AND QUILT on page 2 of the pattern **BEFORE** coming to class.

Cut out the fabrics, Soft and Stable, mesh, interfacing, strapping, and fold-over elastic, being sure to attach labels to all pieces as you cut.

Then quilt the appropriate pieces, cut out (and label) the pieces cut from the quilted fabric, and seal their edges.
