

**TULA PINK  
TULA NOVA SUPPLY LIST  
MATERIALS:**

- Paper pieces and acrylic template pack for TulaNova
- Fabric Glue Pen - I prefer the Sewline brand (craft glue sticks are not recommended)
- Glue Pen refills - at least two (any color)
- Frixion Pen- or other erasable marking tool
- Hand Sewing Needles - I prefer Tulip Size #10 Big Eye appliqué needles
- Thimble - Any type that you are comfortable with. I don't use one and my finger has paid the price, so do as I say and not as I do.
- Small Fabric Scissors - I recommend a 6 inch sharp point fabric trimmer or micro-serrated scissor.
- Thread snipper - I prefer a curved ez snip but any small thread snipper will do.
- 2 to 5 Sandwich bags - to keep your basted pieces in, losing a piece is extremely traumatic.
- Thread - Aurifil 50wt small spools, a variety of colors to match your fabrics

**FABRIC:**

- I recommend beginning with a fat quarter bundle. Fabric selection and quantity for a quilt like this depends on a lot of factors that we will cover in the class like fussy cutting.
- Be prepared to add fabrics in from the selection around us at the shop. This quilt is best built as you go making fabric selections along the way.

**OPTIONAL AND HELPFUL BUT NOT NECESSARY:**

- Light Pad • Small rotating cutting matt • 18mm rotary cutter • Wonder Clips
